

Jeremy Gibbs

I started attend St. Tim's in 2016, shortly after I met my wife, Leyna. Although my own church background was different from St. Tim's, I quickly knew that this was the place for me! The people at St. Timothy's made me feel welcomed. I also was able to find my place to serve when a call went out looking for Sunday School teachers.

I am a teacher by trade. This is my 21st year teaching math and computer science classes at Fort Zumwalt West High School. Because of my chosen profession, I do have a B.S. in Mathematics, B.A. in History, M.A. in Education Administration, and a M.A.T. in Mathematics. Before I became a teacher, I acquired a M.Div. and served in a church as a youth minister.

I spend a lot of time with my family - my LOVELY wife Leyna and my stepson Clark. Because Clark has autism, I am passionate about Autism Awareness causes and actively participate in his school's PTO meetings.

Other than that, I spend a lot of time watching and thinking about baseball. Recently, I was elected as Secretary of the St. Louis Chapter of the Society of American Baseball Research (SABR). If you ever want to talk baseball, feel free to give me a call.

At St. Timothy's, I oversee the Sunday morning volunteers, help teach Sunday school, and serve on the vestry. I just completed a three-year term on the vestry and would be happy to serve another term, if chosen.
