

## LINDSEY SHORT FOR VESTRY

Lindsey was born and raised in Baton Rouge, Louisiana, and joined the Episcopal church as a choir member of St James Episcopal (Baton Rouge). She was confirmed by St Luke's Episcopal (Baton Rouge), and subsequently attended Trinity Episcopal until her move to St Louis in 2018. When looking for a new church on her move, she saw the St Tim's website and decided to visit. Other churches were visited, but St Tim's was home immediately. She is a cantor with the 10:45 choir, and was co-chair of the Discernment Committee that hired Mother Meghan Ryan.

Lindsey is an Associate Manager in Member Services at National Exchange Carrier Association's region office in Creve Coeur. In 2018, she was achieved the distinction of Certified Association Executive by the American Society of Association Executives. She previously worked for the Louisiana Telecommunication Association as Assistant Administrator, organizing their annual member event and expo, and staffing expos for other organizations (American Association of University Women, TELEcommunications association of the SouthEast (TELSE), and NECA). Her other nonprofit experience includes the board of directors for Louisiana Society of Association Executives 2016-2018, a founding/board member of Red Magnolia Theater 2017-2018, and President of the Baton Rouge Alumnae chapter of Sigma Alpha Iota. She is a 5-year member of Black Tulip Chorale (St Louis) and has retired from their Board of Directors.
