

## Louise Pooley

Louise joined St Timothy's in 1997 after moving to St Louis from England. During her time as a member of the congregation she has attended every service except for the 5p.m. Saturday service. Currently, she mainly attends the 9a.m. service with her children – William (15) and Amelia (7) and has been an intercessor and acted as a host family for that service. Over the last 20 years she has been an active member of the parish by teaching Sunday School, volunteering for Vacation Bible School, and serving as an Endowment Fund Trustee. Most recently, she has led the Finance Committee and Family Ministries and has participated in the Women's Book Club. Her family has regularly attended the annual Family Camp at Trout Lodge and William participates in the youth programs.

She completed her college education here in the United States graduating from UMSL with a B.S. in Accounting and an MBA. She founded her own accounting firm in 2007 which provides services to small businesses and nonprofit organizations. She regularly teaches classes on QuickBooks for the local chapter of SCORE. Prior to founding her company, she worked in the accounting field in large corporations, privately held companies and nonprofit organizations here and in England.

In her free time Louise likes to spend time riding her bike – participating in the Pedal the Cause ride for the first time in 2021, working in her garden, participating in a book club, and spending time with her children.
