

Robert D. Roberson

I am a candidate for election to the St. Timothy's Episcopal Church Vestry. Celeste and I moved to St. Louis in 1999 and were active members of St. Frances Catholic Church until joining St. Timothy's in 2019 to continue our faith journey. We attend the 9:00 AM service and I serve on the human resources committee. While a member of St. Frances I served as a Eucharistic Minister, Usher, and volunteered every Wednesday working with the building maintenance supervisor after retirement.

By background, I am a certified public accountant with a 45-year career in public practice and banking. As a bank executive I managed most facets of a community bank. Prior to retiring my volunteer activities included: Earth City Trustee, St. Louis Equity Fund Finance Committee member and SSM Hospital Advisory Board Member. Since retirement, I volunteer at the Sierra Club Lemonade Stands and just completed my term as treasurer of the Eastern Missouri Group of the Sierra Club. I also volunteer at the St. Louis Area Food Bank and prepare income taxes annually for the AARP/IRS VITA program. My hobbies include hiking and biking on the Katy Trail, photography, fishing and rebuilding old cars.

It is great to experience the renewal of the contemporary service with Mother Meghan's leadership and Mother Erin's children's ministry. I believe in the future of St. Timothy's and look forward to serving.
